**SURFACE MOUNT TECHNOLOGY (HOLDINGS) LIMITED**  
**WILL EXHIBIT AT HONG KONG INTERNATIONAL AUTO**  
**PARTS & ACCESSORIES FAIR 2008**

HONG KONG, March 25, 2008 — Surface Mount Technology (Holdings) Limited (SMT) will exhibit at HONG KONG INTERNATIONAL AUTO PARTS & ACCESSORIES FAIR 2008 (HKIAPA 2008) which will be held at the AsiaWorld-Expo on April 28 – May 1, 2008. Our booth number is 3D02, 04, 3E01, 03.

Using the platform provided by HKIAPA 2008, SMT, being one of the top Electronics Manufacturing Service (EMS) providers in Asia, will showcase our Green manufacturing experiences, pan-China manufacturing bases, assembly technology and experiences and technical support.

Our major clients include SONY, Samsung, Clarion, LG, Bosch, Daikin, Emerson, Pricer and Murata, etc. SMT will gain more business opportunities in this fair.

With different customers in the USA, Europe, Japan, Korea, and in the mainland,

SMT participates in various exhibitions worldwide to establish the corporate image and its coverage in the world.

Prof. K.B. Chan, Chairman and Senior Managing Director of SMT said, “We have started the Green manufacturing since 2001 and have expanded 2 more factories in the Bohai and Northeastern region in China in 2007 and 2008 so as to cater to various clients’ needs.”

As to the growing importance on the environmental-friendly production, SMT strives to be the Green manufacturing EMS partner in China of different prospects and clients in the world.

#### ***About SMT***

*Headquartered in Hong Kong, SMT owns four production plants in China, two in Dongguan of the Pearl River Delta, one in Suzhou of the Yangtze River Delta and one in Changchun of the North-East automobile manufacturing hub. The four plants have a total production area of 110,000 square metres accommodating 152 SMT production lines with over 12,000 employees. A new factory in Tianjin will be in operation in 2008. SMT earns a variety of certifications and awards, including ISO 9001, ISO14001, ISO/TS16949 and OHSAS18001. Besides, SMT is also the first EMS provider awarded Sony OEM Green Partner in the mainland China. Further information on SMT can be found at [www.smthk.com](http://www.smthk.com).*
