## **Prof. Chan Kei Bui, MH named Honorary Fellow of City University of Hong Kong**

The title of "Honorary Fellow" is bestowed by the City University of Hong Kong (CityU) upon Professor Chan Kei Bui, MH, Chairman & Senior Managing Director, on 23 September 2009, in recognition of the generosity of time and devotion to establishing the reputation of the University in the community and through donations to support many activities.

Prof. Chan was honored and humbled to say a few words on behalf of the honorary fellows at the Ceremony. He advised that the wisdom for the future is: Change, Innovation and Diversity. He emphasized that we must change, be creative, and adopt a multitude of diverse and new economic models to move forward. The recent initiative of the Hong Kong SAR Government to promote six new pillar industries is a good start. Recently, CityU is under new leadership and already there is action. The establishment of a School of Energy and Environment is a first in Hong Kong. This is in line with the worldwide emphasis on green practices.

Prof. Chan sincerely appreciated the special honour conferred by the University. He will continue to be committed to supporting the development of local economy and nurturing a new generation.
