SURFACE MOUNT TECHNOLOGY (HOLDINGS) LIMITED
WILL EXHIBIT AT HONG KONG ELECTRONICS FAIR 2008
(SPRING EDITION)

HONG KONG, March 13, 2008 — Surface Mount Technology (Holdings) Limited (SMT) will exhibit at HONG KONG ELECTRONICS FAIR 2008 (SPRING EDITION) which will be held at the Hong Kong Convention & Exhibition Centre on April 14-17, 2008. Our booth number is 3H02, 04, J01, 03.

Using the platform provided by HONG KONG ELECTRONICS FAIR 2008 (SPRING EDITION), SMT, being one of the top Electronics Manufacturing Service (EMS) providers in Asia, will showcase our Green manufacturing experiences, pan-China manufacturing bases, assembly technology and experiences and technical support.

Our major clients include SONY, Samsung, Clarion, LG, Bosch, Daikin, Emerson, Pricer and Murata, etc. SMT will gain more business opportunities in this fair.

With different customers in the USA, Europe, Japan, Korea, and in the mainland,

SMT participates in various exhibitions worldwide to establish the corporate image and its coverage in the world.

Prof. K.B. Chan, Chairman and Senior Managing Director of SMT said, “We have started the Green manufacturing since 2001 and have expanded 2 more factories in the Bohai and Northeastern region in China in 2007 and 2008 so as to cater to various clients’ needs.”

As to the growing importance on the environmental-friendly production, SMT strives to be the Green manufacturing EMS partner in China of different prospects and clients in the world.
