New Business Era

SMT is committed to providing world class electronics manufacturing services to the market and design services to further support the business growth of our Customers. With this business strategy, we are strengthening our research and development capability and will continue to bring our marketing and business operations to the next level of excellence.

We are pleased to announce the appointment of Mr. Steve Cheung as our Deputy Chief Marketing Officer. With more than 20 years of experience in the industry, Mr. Cheung will assist our Chairman, Professor KB Chan, in leading this strategic development and overseeing the Sales and Marketing in SMT.

Mr. Alan So, our Deputy Chairman, has decided to retire from February 2008. We wish to express our sincere appreciation to Alan for his contributions to the Company and wish him a happy retirement.

Mr. Frederick Fu, our former Deputy Chief Marketing Officer, has left the Company on his own accord. We wish him every success in his future career development.

About SMT

Headquartered in Hong Kong, SMT owns four production plants in China, two in Dongguan of the Pearl River Delta, one in Suzhou of the Yangtze River Delta and one in Changchun of the North-East automobile manufacturing hub. The four plants have a total production area of 110,000 square metres accommodating 148 SMT production lines with over 12,000 employees. A new factory in Tianjin will be in operation in 2008. SMT earns a variety of certifications and awards, including ISO 9001, ISO14001, ISO/TS16949 and OHSAS18001. Besides, SMT is also the first EMS provider awarded Sony OEM Green Partner in the mainland China. Further information on SMT can be found at www.smthk.com.
