## **Professor Chan Kei Bui, MH Appointed as Adjunct Professor of the Hong Kong Polytechnic University**

Professor Chan Kei Bui MH, Chairman and Senior Managing Director, was recently appointed Adjunct Professor in the Institute for Enterprise of the Hong Kong Polytechnic University. Professor Chan is deeply honored by having this title. He will provide outreach support and expert advice to the Committees in the strategy and development of the University. SMT believes very strongly that education is the key to our future. Being a good corporate citizen, the company strives to contribute to our society by continually supporting in both tertiary education and innovation technology.
