

## Opening of Surface Mount Technology (Changchun) Ltd

Surface Mount Technology (Changchun) Ltd. (SMC) officially started operation on 28 June 2007. The fourth factory of Surface Mount Technology (Holdings) Ltd. (SMT) has a production area of 10,000 sq. metres and it operates under a partnership with Changchun FAW Qiming Information Technology Company Limited. The total amount of investment will be more than RMB100 million in the coming two years.

The opening ceremony was jointly organized by SMT and FAW Qiming. A number of top government officials and industrialists came to this ceremony, including: Mr. Han Chang Fu, Governor of Jilin Province; Mr. Niu Hai Jun, Deputy Governor of Jilin Province, Secretary-General of Changchun, Mr. Gao Guangbin and Mr. Fred Lam, the Executive Director of the Hong Kong Trade Development Council and so on. Together with Professor Kei Bui Chan, Chairman and Senior Managing Director of SMT, they helped to unveil the new company's name plate, marking the important page of its history.

Professor Chan was pleased to be able to co-operate with Qiming in exploring the automotive electronics industry. Mainland China has a tremendous potential. SMC has a capacity of up to 15 production lines and 20 assembly lines. Initially, 2 PNP lines, 3 electronic assembly lines and well-equipped laboratory will be in operation. Investment will be increased along with the market demand.

Key products include GPS navigation system and body electronics. SMT aims to be a key supplier and strong back-up for FAW Group as well as other car-makers in the automobile industry.

The automobile industry on Mainland China is booming rapidly. The country is the third largest producer in the world. SMC is going to cater for this enormous demand.

It is a win-win strategy for both SMT and FAW-Qiming in this project which strengthens the alliance with each competitive edge. This sets a good example of collaboration within the automobile industry.

## 新进电子（长春）有限公司 隆重开幕

中国汽车工业重镇—长春市，占地一万平方米的「新进电子（长春）有限公司」已于二零零七年六月二十八日投入服务；这是新进科技集团第四所大中华的生产基地，乃「启明信息技术股份有限公司」与本集团携手历时三载筹备而成的项目，预料未来两年，总投资额将超过一亿元人民币。

长春省委及长春市委一众领导；包括：吉林省省长韩长赋、副省长牛海军、长春市委书记高广滨及长春市人民政府崔杰市长等等莅临到贺，场面热闹非凡。

新进电子（长春）有限公司荷蒙 韩长赋省长、高广滨市委书记、香港贸易发展局总裁林天福暨集团主席兼高级董事总经理 - 陈其镛教授主持揭牌仪式。为长春生产基地写下光辉的序章。

陈其镛教授在致辞中表示很荣幸成为一汽和启明的合作伙伴，共同开拓汽车电子产业。长春市的汽车电子业纵是刚刚起步，当中电子制造服务正是汽车零部件中增长最迅速的一环，拥有非常庞大的市场发展空间。设备完善的「新进电子（长春）有限公司」计划装配十五条生产线及二十条电子产品组装线。初期率先投入两条自动贴片生产线、三条电子产品组装线及相关实验室设备，并将按市场需求逐渐加大投资。

重点生产项目包括：全球定位系统及汽车电子等产品，既作为「中国一汽集团」的强大后盾，亦可为这个庞大的汽车市场，持续提供优质的产品服务。

这次国内及港资企业的合作模式，无疑是一个双赢的局面，不但互补所需，更可互添优势，相信日后定可成为具参考价值的模板。
