SMT Tangxia Plant Recognized with the 2009 Hong Kong Awards for Environmental Excellence (HKAEE)

SMT is pleased to announce that its subsidiary, Dongguan Superior Manufacturing Technology Co., Ltd., has been awarded the Certificate of Merit in the Manufacturing sector of the 2009 HKAEE by the Environmental Campaign Committee, Environmental Protection Department and other organizations on May 12 for an outstanding environmental performance.

The sectoral awards were launched in February 2008 with the aims of encouraging businesses and organizations to adopt green management. In 2009, a total of 403 entries competed for an honor in one of the nine designated sectors under the HKAEE sectoral awards. The Manufacturing sector was also newly included as a part of the 2009 HKAEE sectoral awards.

Winning this prestigious award represents the high level of recognition for the long term process of continuous to be “Lean”, “Green” and “Digital”.
