## SMT Actively Participated in the Tree-Planting Charity Day

To support fund raising activities for the Hong Kong Electronic Industries Association (HKEIA) Education Fund and increase public awareness of environmental issues, about 20 volunteers, led by Chairman and Senior Managing Director Professor Chan Kei Biu and Deputy Chairman and Managing Director Dr. WK Lo, planted trees at the Dian Ping Zhang Park, Tangxia, Dongguan City on Saturday, April 18.

The tree-planting charity activity organized by HKEIA Education Fund along with the Hong Kong Electronic Industries Association and Dongguan Electronic Industries Association.

SMT sponsored the tree-planting project to demonstrate a keen interest in and commitment to environmental protection and corporate social responsibility. The act of planting trees is an expression of our aspiration for a better environment for future generations.
